Expression Design 4

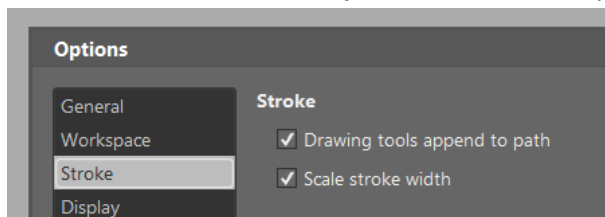

Programmi omaduste seadistamine

(Edit-Options-General)

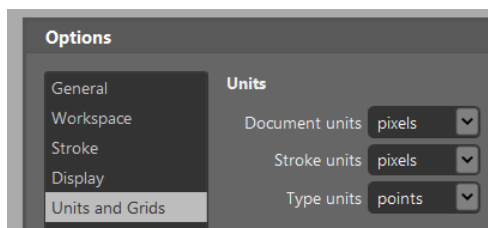

- Mouse Wheel zoom about mouse position (suurendus hiire rullikuga hiire positsioonist)
- Workspace Expression dark/light (töölaua tumedaks/heledaks)

- Stroke – Scale stroke width (jooned suurendades paksenevad)

- Units and Grids (dokument ja jooned pikslites, tekst punktides)

- Memory and Undo (tagasisõutu sammude arvaks panna 20, võtab vähem ressursse)
